

St. Matthew's UMC is a spiritual home for everyone who seeks to love God, serve others, and create ways to embrace and engage our community. This is a family church who strives to engage the deeper meaning of the Lord's definition of family.

We are partners with the Westlake Village UMC and the Thousand Oaks UMC in reaching families who live between our congregations. We are also partners with our United Methodist Church world-wide in sharing God's love in the most difficult of circumstances. We have been the first team in and the last to leave in catastrophes around the Globe. Our United Methodist Committee on Relief (UMCOR) is current on site with the people of Lahaina, Maui- where we lost our historic Lahaina UMC buildings. But our Lahaina community & congregation are receiving support for all of us this day.

As the Lead Pastor, it is my prayer that you will find our care of people all around the world here on our campus. We wish to serve your world and the world as a whole- in the name of Jesus Christ our Lord.

Peace for the Journey,

Pastor Jim Powell
